BEAUTIFUL DANCER

**I want you to be mine
I don't think I have a chance
Cause you are so beautiful
And oh how you dance.
(Ah you're looking so fine)**

**Moving sexy
Even when the tempo's fast
I just need another glance
Now make the music last
(Ah you're so sweet)**

**- I practice my moves
Every day
Just want to be perfect,
I want to take your breath away.**

**Saturday night
Yeah there you are
Feeling oh so nervous
I make my way up to the bar**

(Say hello to my old friend Jack . . . always makes me feel okay)

**The music you love
Begins to play.
I look across the room
And there I see you sway.**

SOLO

**Won't you to be my lady love?
Be my beautiful dancer.
Won't you to be my lady love?
Be my beautiful dancer.**

**You dance so close to me
That your hair brushes my face
My heart is beating faster
I'll be your perfect slave
(You get me oh so high
When I look in your eyes)**

**Won't you to be my lady love?
Be my beautiful dancer.
(repeat 4x)**
