

## **CONGA BLUES**

PG Acoustic

Co-writer: Gaticia Gesmondi

**Feel the sound of the the drums**

**The pulse is sounding low**

**Feel the great vibrations**

**You'll have to give in a go**

**Fingers start to roll**

**Cymbals crash in time**

**The band begins to feel it**

**You know it's gonna be fine**

**Oh those Conga Blues Gotta feel that groove**

**Oh those Conga Blues Gotta feel that groove**

**Pounding out the rhythm**

**Banging out crazy sounds**

**Such a great sensation**

**Rocking on a merry-go-round**

**Conga blues makes me quiver**

**From my head to my toes**

**Makes my body shiver**

**Makes the party flow**

**Oh those Conga Blues Gotta feel that groove**

**Oh those Conga Blues Gotta feel that groove**

**Ya gotta bring it down**

**Sexy and smooth**

**Feel the rhythm**

**It makes you move.**

**gotta bring it down**

**Sexy and smooth**

**Yeah**

**Oh those Conga Blues Gotta feel that groove**
