

# **Carnival Toy**

BDS

Cowriters:

Lyrics by Larry Abbott

Music by Joe Bouchard, Dennis Dunaway and Neal Smith

**Don't treat me like a Carnival Toy.  
I'm not your punch out clown  
Ya once called me ya lover boy.  
But now you just wanna knock me down  
You call me carnival toy.**

**You got me . . . . on your merry go round  
I and ride all night but not for free  
Cause you've been showing your love all over town  
And everybody's laughing at me  
I'm just your carnival toy. Hey!**

## **SOLO 1**

**You lure me in . . . like a carnival skill  
I run and play your game  
Just thinkin that I might get  
A quick thrill ( . . . you know the cheap kind)  
But you don't even know my name  
You call me your little boy toy. OH BOY!**

## **SOLO 2**

**You told me . . . I could win your prize  
That you would never say no  
But I'm a victim of all your sweet lies.  
Just another member of your loser's freak show  
I'm just your carnival toy. Hey!**

## **SOLO 3-4**

**I'm just a Carnival Toy (7xs) [Just Your Carnival Toy]**
