## **DO IT ALL FOR YOU**

**Fell in love with someone that I couldn't have  
Head over heels in love. Lost my self-control.  
Would you make me crawl to you?  
Do I have to catch myself Now I'm falling? Yes I'm falling**

**Grab me by the collar Let me be your slave  
I'll do anything for you Get down on my knees  
Beg, scream and say please. Whatever you want me to do  
I'll do it all for you. I'll do it all for you.**

**You're not just a simple fetish I'll go way beyond the duty  
Take you to your highest needs That is the beauty  
Tangle me in your web Don't want to be free  
Poison me with your venom (Now I'm falling)  
Cause you are all I need. (Yes I'm falling)**

## **BRIDGE**

**Save me from this boring life, Such a drab existence  
Want to be your one and only I can go the distance  
Take me to your corner now I feel the passions rise  
Don't you know you capture me  
Cover my eyes, Do what you will  
I can't promise you, That I'll stay still.  
Grab me by the collar . . . .**
